SANLAM SOMERSET OOS SKOU

Jetta Du Preez

En toe het die dag uiteindelik aangebreek.....ons kon weer skou!

Met baie moeite en baie onderhandelings, het die Somerset Oos skou komitee, op baie kort kennisgewing, aan die werk gespring en die skou begin reël. Met Sanlam as die hoof borg, het die skou komitee, alle Covid regulasies nagevors en die bal was aan die rol!

And Mother Nature did not disappoint either. Beautiful rains before the show, ensured that the show grounds were luscious and green. Once again, the committee excelled in their preparations, from stables, to grounds, to the steak evenings and the hospitality with which everyone was welcomed and received. This was typical of the Somerset Show.

With bumper entries and more than 130 horses, ranging from American Saddle Horses, Cape Boerperd, miniatures, and horses in open divisions, the judge Francois van der Merwe had his work cut out for him.

En die nuwe gesigte in die Boerperd klasse was die grootste verrassing! Daar is definitief 'n nuwe belangstelling in die Boerperd gemeenskap. 'n Spesiale woord van dank moet gaan aan Ezelle en Johan Marais, wat perde van die plaas af aangery het, om al die nuwe kinder ruiters uit te sorteer met 'n perd vir die skou. Daar was nuwe gesiggies in al die onder 18 klasse.

En die Boerperd klasse het definitief beïndruk met die hoeveelheid perde in die klasse....ons gaan definitief vooruit in hierdie bedryf. En die kompetisie by hierdie skou was absoluut top kwaliteit!

Saturday was a glorious summer's day and everyone was geared up for the Championship classes. Everyone had a chance to qualify their horses and now it was the big day. Due to the nature of the show, a few Open classes were added and here the Cape Boerperd did not disappoint either:

Colchester's Ninalina with Carla van der Walt in the saddle, was placed second in the 3 Gaited Open Championship.

Waterkrans Showring, in the capable hands of Talita Fourie, came second in the Open 3 gaited Childrens' championship.

WATERKRANS SHOWRING

The first Boerperd championship class was the Fine Harness and here Indiana Hiersek with Ezelle Marais at the reins. En toe kom Waterkrans Showgirl terug om die Kampioenskap Enkeltuig klas te wen met Wilfred Gelderblom aan die teuls, uit Adelle Smit se stalle.

Die Boerperd 3 Gang kampioenskap het soos altyd, nie teleur gestel nie. Met 7 perde in die klas, was dit harde werk om die beoordelaar te beïndruk. Die uitslag was :

- 1ste : Indiana Hiersek - Kierie Marais
- 2de: Colchester Statesman – Lize Frost
- 3de: Spreekloof Karoo – Tania Bosch
- 4de: Indiana Rocky – Veliska Schoonbee
- 5de: Indiana Professor – Jetta du Preez

As if that was not enough excitement for the day, the 5 gaited Boerperd Championship entered the arena with no less than 10 horses in the class! Yes, 10 horses in the class! The biggest championship class at the show, by miles! And did they have to ride!! The extent of the development and the progress by the Cape Boerperd Society was clearly visible in this class. The results were :

1st : Indiana Pampoen – Steven Ferreira

2nd : Replica Fear Not – Willem Nel

3rd : Indiana Roxy – Ezelle Marais

4th : Lady's Prophet – Syce Botha

5th : CJ Bravado – Reagan Makwena

Many thanks to the following people who contributed their time and effort into making the Somerset East Show such a success:

Judge: Francois van der Merwe

Announcer: Jurie Wessels

Collecting ring: Chris Bressler

Steward: Jan Kritzingen

Horse convenor: Hanlie Greeff

Office: Tania Bosch, Hanlie Greeff, Ezelle Marais

And with that, an amazing show and well deserved break, came to an end. We do hope and pray that this pandemic will see the back door soon, so that we can pick up where we have left off and get our show season for 2021 going at full pace next year.

SKOU ETIKET

Dit is vir ons almal 'n voorreg om te kan skou en met ons perde en ons ruiterskuns te kan spog. Dit is belangrik dat ons die skou organiseerders respekteer en ondersteun sover ons kan. Hulle reel skoue vir ons plesier en kry geen vergoeding daarvoor nie.

'n Bietjie skou etiket wat jou ver sal neem.

1. Voordat jy met jou Kaapse Boerperd kan skou moet jy 'n opbetaalde lid van die Kaapse Boerperd Telersgenootskap wees.
2. Sorg dat jy stalle bespreek by die organiseerder.
3. Kry die program en sorg dat jou inskrywings betyds by die kantoor ingedien word.
4. Sorg dat inskrywings duidelik is met registrasie nommers onderdom ens ingevul.
5. As jy klasse moet verander – doen dit betyds by die skou kantoor en bied dan aan om die veranderings na die versamelring en aankondiger te neem.
6. Sorg dat jy altyd betyds is vir jou klas – meld aan by die versamelring beampte. As jou klasse kort na mekaar is – vra vooraf vir tyd.
7. Skryf betyds in vir die kampioenskappe – dit is jou verantwoordelikheid om te sorg dat jy ingeskryf is in die regte klas op die regte perd.
8. Ken jou reels – as jy onseker is vra iemand reeds voor die skou.
9. Bedank die beoordelaars en beamptes na afloop van die skou
10. Neem jou nommers terug na die kantoor direk na jou laaste klas.

Geniet jou skou – wen is nie alles nie. Leer terwyl jy daar is. Luister na raad.

Ons is baie opgewonde oor ons jong perde. Die oues het ook nie teleurgestel nie, met Indiana Hiersek wat gekroon is as beide Siertuig en 3 Gang Kampioen te Somerset Oos Skou in November. Indiana Roxy het ook uitstekend gedoen met 'n 3de plek uit 10 in die 5 Gang Kampioenskap. Indiana Spring Queen en Senorita was weereens die kampioene in die kinder klasse. Ons is geseend met perde met uitstekende temperament. Indiana Clinton is beslis 'n

5 gang perd om dop te hou. Hy was die Kampioen 5 Gang onder 5, te Somerset Oos Skou. Indiana Meester sal volgende jaar sy buiging in die skoubaan maak. Beide word ook tans in die karretjie afgerig. Ons het 2 baie mooi vullens van Indiana Meester. Ons kan nie wag om behoorlik weer te begin skou nie.

Thank you, Somerset East Show Society for holding your annual show. It was great to be able to ride and compete again, and see all the exhibitors. I really enjoyed the show so much, just the joy of competing again. I had a successful show. King's Memory was 2nd in fine harness, and 1st in Stallion / Gelding 3 Gaited. My big thrill was riding 5 gaited again. On the Thursday, Oudemeester was playing up, but on the Friday he didn't make one mistake. What a thrill!!! Unfortunately, I got food poisoning on Friday night, and couldn't compete on Saturday.

King's mother, Jennifer, has foaled a colt. Hopefully he turns out well. Like all "fathers" we think our progeny are great – only time will tell. I have also been given a filly, by King out of Fearnot's full sister, Kit-Kat. She is a pretty little girl and is four years old, but needs lots of attention before she can show.

I would like to wish you all a happy and peaceful Christmas and New Year. Keep safe and see you at Tarkastad.

COLCHESTER STUD

COLCHESTER, near Port Elizabeth

This year has been a challenging one for all of us, especially with Covid affecting all of us in one way or another. We also experienced a drought for the greater part of the year, but are thankful to have received some good rains recently. Unfortunately, we were not able to take horses to the Somerset East Show, but did attend on the Saturday to watch the Championship classes. It was very encouraging to see so many Cape Boerperd competing, and setting such a high standard. Well done to Sanlam and the Somerset East Agricultural Show Committee for making this happen.

Due to Covid and the drought challenges, we have not been able to focus on training and riding our Boerperde this year. However, we were fortunate to have four healthy foals born from Indiana Meester – 3 fillies and a colt – thank you to Johan and Ezelle of Indiana Stud. The fillies all have beautiful markings, whilst the colt has already made his mark as a 5 gaited horse..... tripling in the lands after his mother!!

MEESTER COLT

MEESTER FILLIES

Our 2019 King's Memory foals all have beautiful temperaments, and are very happy to come and greet you whilst out in the lands. We have recently brought the colt into the stables, and will soon start his education.

We have really missed the show atmosphere, and meeting up with all our Cape Boerperd friends this year, so hope that the shows will go ahead in 2021 as planned. Wishing everyone a safe and happy Xmas season, and look forward to meeting up with you next year when we can show off our magnificent breed once again.

RUITERKUNS KURSUS TE CAMDEBOO STALLE

Lize Frost

Op 22 Augustus, het die OP Saalperd Unie 'n ope ruiterskursus dag gehou by Sumeri Botha se Camdeboo stalle. Die Boerperd ruiters was ook uitgenooi en enige nie-lede wat belangstel in ruiterskursus kon die dag bywoon. Streng Covid-19 maatreels was toegepas: met aankoms by die hek was elkeen se besonderhede en temperatuur geneem. Maskers was verpligtend, asook sosiale distansiering. Almal het so mooi saamgewerk, want na maande se 'lockdown' was ons almal uitgehonger net om 'n bietjie met ons mede perde liefhebbers te gesels en mekaar net weer te sien, saam met die diere wat vir ons so baie saak maak.

Sumeri het begin deur vir almal die regte uitrustings te wys, al die moet's en moenie's en hoe 'n ruiterskursus uitrusting moet pas bv lengte van baadjie, lengte van broek, kleur van die pak en hoed.

Sy het ook verduidelik watter ouderdomme met 'n trens en dubbeltoom skou, en wat verpligtend is by elke ouderdoms afdeling. Marli het ook vir ons op 'n perd demonstreer wat die korrekte 'seat' is tydens al die gange, waar die teuels moet wees, waar die peitz moet wees en wanneer dit geruil moet word, handskoene is altyd 'n MOET en daar is uitgewys dat afwerking en afrondering baie tel asook 'Horsemanship'.

Zanki Botha het ook vir ons 'n paar perde gery en gedemonstreer hoe jou postuur en 'seat' moet lyk in onderskeidelik 3 en 5 gang.

Daarna het diegene wat wou 'n beurt gehad om te ry, en dan het Sumeri en Koekie gou gehelp om die ruiters bietjie te 'coach'. Daar het vreeslik baie lesse uit hierdie gekom, selfs diegene teen die kant het baie hieruit geleer.

Ons wil dankie sê aan die OP Saalperd Unie wat dit goed gedink het om hierdie kursus aan te bied, veral vir Sumeri Botha en Koekie De Villiers wat dit deurgevoer het, en ook vir diegene wat die kursus bygewoon het. Ons is vol kennis daar weg.

RAINBOW'S END STABLES

A STEP ABOVE THE REST

Die was beslis een moeilike jaar met baie uitdagings. Gelukkig kon die perde die lewe so bietjie makliker maak vir ons ruiters by die stalle as die "lockdown" begin druk het.

Gedurende die jaar het ons stalle 'n paar nuwe ruiters ryker geword en hoop ons dat hulle binnekort in die skoubaan sal wees. Ons wil graag die volgende ruiters verwelkom by die stalle:

Janco Malan Isabel Malan Janike Van Zyl Danelle Van Zyl Zané Vorster
Inge Wessels Leola Nel Helize Le Roux Eldirette De Clerk

Gedurende die Oktober en Desember vakansie het onderskeidelik Izal Kilian en Riani Lombard ook saam met die ruiters van die stalle geoefen.

Carla VD Walt het haar laaste skou geskou as onder 18 ruiters gedurende Somerset-Oos Skou. Graag wil ek haar sterkte toewens vir volgende jaar met haar skoue. Dit is 'n voorreg om jou my "partner in crime" te noem. Jou toegewydheid en liefde vir die sport gaan nie ongesiens verby nie.

Hierdie jaar is ons stalle bevoorreg om Young Guns se 32ste verjaarsdag te vier. Ek is 'blessed' om jou al nege jaar my perd te noem. Ek klink 'n glasie op die volgende 32 jaar!

Ons is baie opgewonde om hopelik vroeg volgende jaar te skuif na ons eie stalle, weens dat Middelburg skougronde nie meer veilig is nie en alles gebreek word. Baie dankie aan Leon Lotz vir die geleentheid om van die stalle gebruik te maak.

Geseënde Kersfees

MORE ABOUT.....REAGAN MAKWENA

Thirty one year old, Reagan Makwena, attended school in Beaufort West and was a member of the SABAU team in 2004 and 2005.

I cannot remember how old I was when I started riding, as I only remember that I have always been riding! My Uncle, Willem Makwena, was the one I worked with. He helped me and taught me about horses. In my spare time, I worked with both my Uncles, Willem and Tonto Makwena, making horse shoes. The Makwena family are one of the few who still use the old method of making horse shoes, by shaping and adjusting a shoe to suit each horse's foot; even making one side of a shoe thicker and heavier to negate any leg movement that affects a horse's balance. It is this skill, that my Uncle Willem taught me.

I don't know everything about a horse, but I know a Cape Boerperd like the palm of my hand. I enjoy the BP horses because they are tough horses, and always eager to try. They are also willing to work together when they are in training.

The first horse that I trained for the show ring was Bar None of Job Steenkamp. An unexpected surprise, was when he threw me off three times in the show ring while I was riding my test rounds! The first winner that I trained was Replica King's Memory, owned by Clyde Pringle. He won the 3 Gaited Championships in Tarkastad. My greatest BP highlight was winning the BP 5Gaited Championships with Indian Coco in Uniondale in 2018.

I am also busy training children to ride and show Cape Boerperd. I enjoy working with them, and sharing my knowledge with them.

PRESIDENTS VERSLAG 2020

KERS BOODSKAP.

2020 - A year we all want to forget.

Kaapse Boerperd 2020 het baie onseker begin met 'n AGM wat ongrondwetlik verklaar is. Toe moet daar 'n spesiale algemene vergadering gehou word, en ook dit kon nie plaasvind nie agv COVID inperkings. Gelukkig kon ons AGM hou in Oktober. Die nuwe bestuur is verkies en veranderinge aan ons Grondwet is goed gekeur.

Now we are in December 2020, and we all lived through this trauma and are still around and grateful that we still have our lives and our horses. We still have loved ones sick and in hospital etc and we pray for them and their families.

Die perde bedryf het ook basies tot 'n stilstand gekom met geen skoue en geen ander sport byeenkomste. Daar is probeer om lede moed in te praat. Selfs ons SA Kampioenskappe moes gekanseleer word.

Die ligpunte – ek dink almal het tyd gehad om aan hul perde te spandeer. Time to focus on problem areas and train. We registered more foals this year. We also recorded more sales this year despite the state of the economy etc.

Thank you to the members and board members for valuable input through the year.

Ons kon darem daarin slaag om Somerset Oos skou te he, waar ons ons perde kon vertoon in 2020.

Kom ons bou voort om ons ras te verbeter en te adverteer. Ons telers moet ook asb meer teel en leer en verkoop. Ons het 'n aanvraag vir perde en het nie genoeg beskikbaar nie.

Ons het 'n verbeterde grondwet om mee te werk. Kom ons bou.

Hiermee wens die bestuur van die Kaapse Boerperdtelegenootskap u 'n Geseende Kersfees en Voorspoedige 2021 toe.
